PRODUCT FEATURES

- ① Seamless knit construction eliminates uncomfortable seams that can rub or chafe.
- ② Open, uncoated back lets air circulate to keep hands cool & comfortable.
- ③ Personalized Logo available (bulk orders).
- ④ KEVLAR knit shell offers EN388 LEVEL 3 cut protection against slashes, cuts & abrasions.
- ⑤ Rough Crinkle Latex coating ensures a firm grip while maintaining excellent dexterity, sensitivity & tactility.
- ⑥ Coatings help keep hands dry & protect from dermatitis.
- ⑦ Knit wrist fits snug for comfort & keeps out dirt & debris.

EN388 Cut Level 4 (DG-404) & EN388 Cut Level 5 (DG-405) available.
