OUR GEAR...YOUR LOGO 877-PSG-GLOVES PRODUCT FEATURES

- ① Disposable Foam Earplugs are made of slow recovery PVC foam, it provides comfort with low pressure. Classic plugs available with or without cord, 200 per box., NRR 29.
- ② Bell shaped foam earplugs are disposable, low pressure, soft, smooth polyurethane foam that is self-adjusting for increased user comfort, with no full feeling in the ear. Wide flange allows easy insertion & removal. NRR 28.
- ③ Premolded earplugs fit a wide variety of sizes, comfortable, reusable & save time and money. Flexible flanges gently grip the ear canal to form an effective seal against noise. Available with or without cord in poly bag. NRR 25.
- ④ Banded plugs fit over ear canal entrance and pivot for a snug seal. Non-invasive, comfortable, dermatologically safe plugs help prevent loss and is ideal for intermittent use. Unaffected by glasses, respirator straps, and other safety equipment. NRR 17.
- ⑤ ANSI S3.19-1974
